Re: Freedom of Information Act Request EPA-HQ-2013-009444

Dear Ms. Seidman:

This letter is in response to your Freedom of Information Act (FOIA) request (reference number EPA-HQ-2013-009444) that requested a copy of Low Volume Exemption L-10-0212.

Attached is a sanitized version (i.e., all information claimed by the submitter to be Confidential Business Information (CBI) has been redacted) of L-10-0212.

In the future, please know that you can request copies of sanitized TSCA Section 5 new chemical notifications directly from the OPPT Public Docket rather than filing a FOIA request. The OPPT Public Docket is located in the EPA Docket Center (EPA/DC) at Rm. 3334, EPA West Bldg., 1301 Constitution Ave., NW, Washington, DC. The EPA/DC Public Reading Room hours of operation are 8:30 a.m. to 4:30 p.m., Monday through Friday, excluding legal holidays. The telephone number of the EPA/DC Public Reading Room is (202) 566-1744, and the telephone number for the OPPT Docket is (202) 566-0280. Requests for documents from the OPPT Public Docket can also be made via email: doCKET-customerService@epa.gov.

Any questions regarding this response should be directed to me at (202) 564-8469. Please cite the reference number EPA-HQ-2013-009444 in any future correspondence with the Agency concerning your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Greg Schweer", is written over the typed name.

Greg Schweer, Chief
New Chemicals Management Branch
